

## Marine Climate Change Impacts Partnership

Dear MCCIP news subscriber,

Today, MCCIP has released its Marine Climate Change Research Priorities 2014. Drawn from the knowledge gaps reported in the latest 2013 MCCIP Report Card, the UK Climate Change Risk Assessment (CCRA) and Charting Progress 2, MCCIP completed a prioritisation exercise with the assistance of the UKMMAS evidence groups and MSCC.

The [two-page summary of key findings](#) plus the supporting material on [information sources](#) and [methods](#) can be found at <http://www.mccip.org.uk/annual-report-card.aspx>.
