

Marine Climate Change Impacts Partnership

Dear MCCIP news subscriber,

MCCIP is currently undertaking a mid-term review of its 5-year "Phase II" Work Programme. A critical part of this process will be to understand whether MCCIP is providing products and services that meet the wide ranging needs of stakeholders.

MCCIP would like to invite you to participate in our online survey, which provides you with the opportunity to give us your opinions on MCCIP. The short questionnaire will take around five minutes to complete and can be accessed through the following link, until close-of-business on 22nd February 2014:

<http://www.surveymethods.com/EndUser.aspx?C4E08C95C2839497CF>

We do hope that you will be able to spare a small amount of your time to participate in our survey. Your valuable opinions will be subject to independent review and will play a key role in shaping the future MCCIP work programme. Please feel free to forward this email on to colleagues with an interest in MCCIP.

If you have any queries about this online survey, please contact Dr Narumon Withers Harvey [by email](#) or by telephone at 0207 238 4501.

Thank you in advance for your participation.

Best wishes,
MCCIP
